The Invisible Dog Art Center presents the world premiere of commissioned feature film "(W/HOLE)" created by queer/feminist porn studio AORTA films in collaboration with performance group the A.O. Movement Collective. Blending performance art, dance, and explicit sex, (W/HOLE) explores the incredible potency of queer hedonism, investigating how the authentic performativity of kink and queer porn can evolve trauma into orgasm, and depletion into politically radical, transformative, body-based joy. At turns lush, humorous, erotic, joyful, and intense, the film forsakes traditional expectations of "porn" to create an unexpectedly textured landscape of desire. (W/HOLE) investigates the complexity of pleasure, exploring the so-called obscenity of bodies in their most tremendous capacity - their glorious, illicit humanity.
