At the Brink Dance Projects is a non- profit dance company based in the NYC area. We have worked with communities who have suffered a trauma and helped them heal through the expression of dance. Since COVID- 19 we have pivottted our work to help people cope with the stressors brought on by these unsettling times by creating our "Moving together towards healing" Workshop. This workshop goes through meditation, intention setting, breathing techniques and dance expression.

Due to the state regulations we cannot hold our annual fundraiser in person but we wanted to share an evening with our supporters! We will be partnering with Brightcellars Wine Company to bring an evening of wines paired with dances. With the purchase of your ticket you will receive 4 bottles of wine delivered to your door. On the evening of the event you will sign into zoom where you will be greeted by the dancers of At the Brink Dance Projects and a sommelier from BrightCellars.

So here is our suggestion! Have some of your close friends over who are part of your POD, crack open the wines and sit back and relax!

** For any of our friends who do not drink!! Have no fear we have a general ticket option for you!
