Waacking, the dance style driven by the dynamic sounds of 70's disco, originated in the gay clubs of 1970's Los Angeles, and drew inspiration from influential drag performers as well as the glamorous sirens of the silver screen. In this showcase performance, Princess Lockerooo's Waack Dancer Training Program dancers hit the stage, showing off their own unique styles and ways to express their authenticity throughout their own creative journey.

New York Public Library for the Performing Arts

111 Amsterdam Avenue

New York, NY, 10023
