## Youth Program Mission Statement

Rod Rodgers Dance Company believes in sharing ideas and celebrating positive images through movement. We explore the relationships between dance, music, poetry, theatre and athletics through upbeat dialogues that accompany performances. Programs like the ones we have shared with youngsters over the years reflect a continued interest of RRDC in making Dance Theater understandable and accessible to today's young audiences.

We provide our students with an enjoyable experience via our dance classes, workshops and performances, then encourage their excitement about the many possibilities of Dance Theater as an art form. In addition to learning dance techniques, students will improve thinking skills that can transferred to their core academic studies.
