This is a two hour workshop ([Top 6 Music Must Knows for Ballet Teachers](#)) dedicated to empowering and educating ballet teachers to use music better! I developed this workshop for those ballet teachers who default to syllabus music because they're intimidated and insecure about counting and using free music. Teachers, this is for you!

Please find it on my website [www.thebarrepianist.com](http://www.thebarrepianist.com)

The course is running November 5 2019, @1 pm MST; the entire course and PDFs will remain permanently available for anyone who has purchased it. Cart closes November 4th, 2019.
