YYDC presents the world premiere of NOWHERE, the latest production by acclaimed Chinese American choreographer Yue Yin, on June 8-10, 2023 at Chelsea Factory, 547 W. 26th Street, NYC. Tickets are \$35 (\$15 for students) and are available at <https://www.chelseafactory.org/yydc-nowhere>.

NOWHERE, the latest production by acclaimed Chinese American choreographer Yue Yin, exists outside of any identifiable location or discernible moment in time. Evoking a state of uncertainty and a sense of disconnectedness from our tangible reality, the piece challenges us to embrace feelings of uncertainty and to explore new possibilities and new directions. NOWHERE, like the world we live in, exists at the edge of a new frontier. Infused with Yue's stirring physicality and dynamic movement, NOWHERE takes us across boundaries on a journey of self-discovery and provides a communal transcendent experience. This world premiere production features original and live music by Alexandre Dai Castaing.
