Young Dancers Workshop

July 13th - July 17th

Ages 7 - 10 | M-F ~ 9:30am - 3:30pm

Roxey Ballet Company's official school, The Mill Ballet School provides dance intensives all summer long! The Mill Ballet School's Young Dancers Workshop has been developed specifically for young dancers ages 7-10 providing them with an introduction to more serious dance training. The goal of the workshop is to give each individual a deeper and more thorough understanding of their technique and the art of dance. While the main focus is on classical ballet, our young dancers will be exposed to other forms of dance including jazz, improv, contemporary, and flamenco. The day will conclude with discussions in proper nutrition for young dancers, injury prevention, anatomy, and dance history along with dance videos.

Tuition: $450 and a registration fee of $30.00

The workshop will be held in person in small groups, in first-come first-served basis. However, we do offer the possibility to attend the workshop virtually online too! For details email Melissa Roxey info@millballetschool.com or register at https://www.millballetschool.com/summer-dance-programs
