Come see a performance by the next jazz, music and voice stars following in the footsteps of Terence Blanchard, Jennifer Koh, and Chris Young (all YoungArts Alumni). This multidisciplinary performance directed by Wicked Concertmaster Christian Hebel is one of four public events during YoungArts New York, an annual week long program that supports more than 100 emerging artists (ages 15-18) from the tri-state area, who were selected as 2015 YoungArts Winners from approximately 11,000 from across the country. Don't miss this opportunity to see for yourself what the future of the arts looks like.
