Compilation by Kaley Pruitt

caitlin+dancers and Kaley Pruitt Dance will share an NYC season June 1 & 2. Each company will present 1 work from repertoire and 1 world premiere. These two quickly emerging NYC-based modern dance companies share a commitment to bold work that unravels and simultaneously weaves new perceptions of the world around us.

Pruitt is re-staging *Limitless* and premiering a new duet titled, *Like Minds*. The first work was created and workshopped with Pruitt's students at Illinois State University and this June will be the company and NYC premiere. *Like Minds* will be performed by Kaley Pruitt and company dancer Megan Wubbenhorst. caitlin+dancers will present the popular *Gifts for the Void* (2016), a trio that has been performed up and down the East Coast, and premiere *Variations on a Ghost*, a duet flavored by Edwardian fads.
