November 12 - November 26

MON 3:00 - 5:00 pm

A workshop led by Melanie Maar through Janet Panetta's International Dance Dialogues, facilitated by Movement Research.

A group self dialoguing through language and movement experience to study our process and intuition. We listen, study, and relate to our process and our intuition through shared movement experience, the lens of art, and through language based communication.

This group of 4 dance makers and Melanie will meet once a week for 6 weeks as well as have a one-on-one meeting with her to conclude the time.
