It is Now or Never

#### [Take Action!](#)

Tell Assembly Leader Sheldon Silver and State Senate Leader Dean Skelos to restore \$2.8 million to the New York State Council on the Arts (NYSCA). It's important to our economy and important to our communities. NYSCA has already suffered the loss of 30% of its budget over the past four years. Ask our leaders to demonstrate their leadership and restore \$2.8 million to NYSCA.
