May 15, 2012

Dear Grantees and Applicants,

The NYSCA guidelines for this year are now available online, and the application portal is now open to apply for Council funding for FY2012-2013. The portal will remain open through Wednesday, June 20, 2012 at 11:59PM.

Please note that the Slideroom.com site is not yet open for uploading support materials. We will notify you as soon as it is open, at which point you will have ample time to upload all required support materials.

These deadlines will be strictly enforced, so please do not delay in working on the application. Please allow yourself adequate time to contact NYSCA with any questions that will assist you in completing the application.

The CFA application for the Regional Economic Development Council is also now open, and will close on Monday, July 16, 2012.

Please see this link for a listing of workshops that will be occurring statewide:

There are at least three workshops planned in each region. NYSCA will have representatives at some of the workshops and, where the agency is unable to send staff, the New York State Office of Parks, Recreation and Historic Preservation will be presenting the Art Project grants.

Thank you all for the work you do on behalf of the Council.

Sincerely,

Lisa Robb, Executive Director
