Participate in a 10-Minute Survey for Affordable Artists' Rental Housing

► [Share](#) | [Print](#) | [Download](#)

Are you a member of the visual or performing arts community? Are you looking for or concerned about the availability of affordable housing?

If so, the Actors Fund Housing Development Corporation (AFHDC) wants to hear from you.

To assist in our work developing new affordable housing, the AFHDC wants to learn about the preferences and unique needs of the performing and visual arts community in the New York City/New Jersey region. Specifically, we are seeking information that will help us move forward with the development of affordable artists' rental housing in Rahway, NJ.

Beginning August 13th, you can participate in a 10-minute survey that will help make this building a reality.

Your input, and the input of your friends, is vital. Your responses will assist in determining project financing, design, amenities and more! Just log onto www.RahwayArtistHousingSurvey.org to take the survey.

If you have questions, need more info or are unable to access the Internet, contact The Actors Fund Survey Team at 212.221.7300, ext 126.

For more on The Actors Fund and its subsidiary, the Housing Development Corporation, please visit www.actorsfund.org.

Spread the word!
