Dance/NYC, along with its partners [One Percent for Culture](#) and [New York City Arts Coalition](#), is letting your New York City elected officials know we support a \$30 million increase in funding to the Department of Cultural Affairs (DCLA), to be divided evenly between the Cultural Institutions Group (CIG) and Cultural Development Fund (CDF). The deadline has been extended to sign on to our letter to Mayor De Blasio. Join the campaign and add your name to the list of signatories at <http://bit.ly/1zqhMI2>.
