This event has already occurred. Please enjoy event information below.

When: Wednesday, November 14, 2012, 6:00 p.m.

Where: [Gibney Dance](#), 890 Broadway at 19th Street, 5th Floor, Studio 5-2, New York, NY

The mission of Career Transition for Dancers is to enable dancers to define their career possibilities and develop the skills necessary to excel in a variety of disciplines. In this discussion, we hope to identify challenges specific to a career in dance and how we as a community can work towards making it a viable path. We also hope to identify strengths that dancers naturally possess and discuss the possibilities in applying these skills to other fields.

We encourage you to attend and share your perspectives. Light refreshments will be served.

Moving Dancers Towards Positive Future Possibilities is moderated by Lauren Gordon of Career Transition for Dancers.

Center Line is presented in partnership with Dance/NYC.
