An open conversation and reception for the dance community.

Co-Presented by Gibney Dance Center, Dance/USA, and Dance/NYC,
Moderated by Amy Fitterer, Gina Gibney, and Lane Harwell.

Dance/NYC's 2013 Symposium, scheduled for Sunday, February 24, at the Gibney Dance Center, will explore the role and reach of New York City dance, and dig deep into the current circumstances of funding, touring, marketing, and education. What are the opportunities for advancing the city's 1,200+ dance makers on national and international stages and for building bridges with sister dance artists and institutions? As a stage for dance, how can NYC participate, learn, and lead in the dance landscape?

At the Symposium, Dance/USA and Dance/NYC will also jointly discuss their new alliance. This edition of Center Line, a conversation with Dance/USA's Executive Director Amy Fitterer, Dance/NYC's Vice Chair Gina Gibney, and Dance/NYC's Executive Director Lane Harwell, is an opportunity to debrief on Symposium topics and the local-national synergies in service delivery strengthened by Dance/NYC's alliance with Dance/USA.

Center Line is presented in partnership with Dance/NYC.
