Dance Advancement Fund

Made possible by the generous support of the Howard Gilman Foundation and Ford Foundation, Dance/NYC invited dance making organizations and groups based in the metropolitan NYC area with operating budgets of \$25,000-\$250,000 to submit applications for awards through the fourth iteration of the Dance Advancement Fund.

Selected dance-making organizations and groups received general operating support grants ranging from \$6,000 to \$40,000, awarded over a two-year period, including ongoing professional development from September 1, 2024 - August 31, 2026.
