Dance Advancement Fund (2018-2019, 2020-2021, 2022-2023)

Made possible by the support of the Ford Foundation, Dance/NYC established the Dance Advancement Fund in 2017 to address the inequitable distribution of resources in the dance field by supporting small budget dance makers with budgets less than \$1 million. As of 2021, the Dance Advancement Fund has provided \$800,000 in general operating support to 45 unique dance making organizations and groups with budgets under \$1 million across two grant cycles.
