[Accessibility and Application Assistance](#)

Dance/NYC is committed to accessibility and equity for disabled and immigrant people in its programs. Each method of application assistance includes specific details for how disabled people may request support.

[Webinars](#)

To assist prospective applicants, Dance/NYC will hold a webinar virtually via Zoom for both the Request for Expressions of Interest and Full Application phases of the program. All applicants are strongly encouraged to participate. The webinars will include real-time transcription in English and ASL interpretation.

A recording of the webinar, along with slides used during the webinar, will be made available within one week following the webinar date.

The webinars will be held on a video/audio conferencing platform called Zoom, which invites you to join the meeting using your computer or phone. Please plan on taking a few minutes before the start of the meeting to familiarize yourself with Zoom. When you have joined the meeting, it is suggested that you use a headset or earphones with a microphone to avoid feedback. When you are not speaking, mute yourself until ready to speak.
