Artist Nominations of Venues

The experiences of artists are central to this grant program, which grants funding that subsidizes the costs of venues to provide affordable hourly rental rates to the dance community. Dance/NYC invites artists and choreographers, administrators, producers, managers, and all members of our community that use rehearsal space to nominate studios for consideration in the program. Any studio can be nominated, regardless of size, location, or business structure.

Nominated spaces will be provided with more information on the program and invited to respond to a Request for Expressions of Interest. Artist nominations serve to highlight rehearsal space facilities that may not otherwise pursue participation in the program and further function as recommendations of a venue's effective service to the field. NOTE: Spaces may apply regardless of whether they have received artist nominations.

Nomination forms closed on November 19, 2021 at 6:00 p.m. EST.
