### What are some of the essential requirements to keep dance alive and growing?

Dance thrives when shared. Whether on stage, in a classroom, by a fire, or in a museum. Movement speaks, and it is heard. Movement has always existed within us and between humans. It is keeping that knowledge and spirit alive that helps it thrive.

### Favorite Venue:

Favorite venue thus far? Goodness. Bryant Park. A snowy mountain VT with our comp teacher Tarin Chaplin, Symphony Space, a trailer parked in a street festival, under the moon at the Houston Museum of Natural Science.. CAN'T CHOOSE!
