NYC Dance Field-Wide Calls

Updated: September 1, 2022 12:00 p.m.

Stay connected with NYC’s Dance Community

Since May 28, 2020 Dance/NYC has been hosting calls with the dance field to address pressing questions, needs, and plans for the future of dance in the metropolitan NYC area. The calls have focused on disseminating information related to COVID-19 and on facilitating resource-sharing amongst the dance community.

Starting in January 2022, calls occur monthly on the third Thursday of the month from 4:00 pm – 5:00 p.m. Any member of the community is welcome to attend.

Accessibility for the calls: CART captioning services will be provided for the Field-Wide Call. Additional accessibility services, including ASL interpretation, can be provided upon confirmed requests in advance of each meeting (24hrs). Email [email protected] for accessibility service requests.

Registration is required and free. Note that you only need to register once to be added to the list for all future calls.
