Location: Gina Gibney Studios, 890 Broadway, Fifth Floor New York, NY 10003

Maverick Dance Experience is a company whose attitude is to toe the line of risk and reason, through dance theater modalities, in order to relate urgent messages on social commentary, humanness and politics. Maverick draws on raw emotion and blood memory as information for movement experiences and creates visceral tapestries, largely of contemporary, athletic and intricate movements, boldly statement driven and integrated with partnering, improvisation and floor work.

We are looking for 3 male or female additions to the company. Our season is in place and still growing with performances as early as September 27th. We offer paid performances, technical and administrative training. Review our website for our style, approach to movement and video samples.

Please submit your dance resume and headshot/body shot to maverickdanceexperience@gmail.com. We will then confirm your place at the audition
