An established dance/pop music group with well over a million views on youtube and plenty of industry buzz is now casting for an up-coming music video shoot.

Currently casting FEMALE DANCERS that are:

1. good with choreography
2. fuller-figured, curvy, and/or taller
3. fun, positive, great team players
4. FUNNY!
5. over 18 years old

As the band is comprised of tall, buxom ladies, we are currently seeking taller, fuller-figured women who can match the look of the band members.

The group and the production team are 100% professionals-- previous music videos for the band have featured appearances by many well-known celebrities, and this video will not be an exception.

Looking for committed, hard-working dancers who are looking to act and be treated like professionals.

The video concept is campy and funny, with several different dance set-ups.

Dance styles will range from campy 80's dancing to current club styles, all fully choreographed by a professional choreographer.

If interested and qualified, please submit:

1. a current headshot (does not have to be professional- iPhone pictures are OK)
2. a current body shot (iPhone pictures are OK)
3. a resume or description of training and experience
4. a brief paragraph describing yourself.

Selected candidates will be invited to an audition that will be held in late-February.

Shooting is set to begin late-March in NYC.

This is going to be a lot of fun (and a lot of hard work), and we're very excited to build a fantastic cast!

Thank you!
