Boston Contemporary Dance Festival was established in 2012 to celebrate the new and largely unknown art of contemporary dance. The festival brings a diverse array of contemporary dance artists together from across the United States, inviting the greater Boston community to experience this art form at its finest. Participants and audience members are invited to meet and mingle with critics, producers, photographers, and leaders in the national dance community, all while exploring contemporary dance as a site of social change and progress. This year's festival is at the BU Dance Theater on Saturday, August 13th, 2016 at 8pm.

We are now accepting applications for pieces to be presented. Apply here: <http://bostoncontemporarydance.org/2016app>
