NOW HIRING - Enthusiastic, Articulate, Professional Sales Barracudas with a LOVE of BALLET & the art of dance for our Telephone Subscription Sales Team for PENNSYLVANIA BALLET.

PENNSYLVANIA BALLET is committed to making dreams of dance come true. When the Company was founded in 1963 by Barbara Weisberger it was her dream, fostered and encouraged by George Balanchine, to not just bring the best in dance to Pennsylvania, but to develop local talent to become great dancers. With the appointment of Angel Corella to the role of Artistic Director in 2014, the Company has moved into a new phase of its development. With Angel's experience as both a dancer and a director of his own company in Spain, the Company is increasingly reflecting the broader world of dance. This shows in the breadth of works being performed, as well as in the increasing interest from dancers around the world interested in joining the Company.

WE NEED YOU! Our team is forming and we begin the second week of April. Don't just earn money – Make a difference in the arts.
