ELLISON BALLET SUMMER AUDITIONS 2021

[AUDITION INFORMATION & REGISTRATION](#)

Requirements

- Applicants should be between 12-19 years of age and have a strong basic classical foundation in relation to their level and age.
- Students who are 11 years old may audition if they will turn 12 by June 2021.
- Dancers should audition with the age group that they fall into on the date of their audition.

Audition Process

- Register online for your Video Audition or Zoom Audition by clicking the button above.
- Audition Registration Fee (Non-Refundable): \$40
- Students must upload two recent photos to their audition registration: a 1st arabesque & Tendu a la seconde. See FAQs for more information regarding audition photos.
- All students who audition will receive a letter via email indicating acceptance, wait-list, or non-acceptance within two to four weeks.

**Those wishing to be invited into the year-round program are strongly encouraged to audition for and attend one of our three summer programs first. The summer intensive programs are considered "Phase Two" in the audition process for acceptance into the year-round program. This allows Mr. Ellison and the faculty to see how the student works over an extended period of time, and allows the student to get first-hand experience of Ellison Ballet, its faculty, and programs, thereby allowing both to determine whether the student and school are a good fit. Auditions for the year-round program are held during the four-week Summer Intensive each year for interested students.

**For additional frequently asked questions regarding auditions and/or our summer programs, please visit our Frequently Asked Questions page. If you have a question that is not answered on our website, please email summer@ellisonballet.org. No phone calls unless urgent.
