SHIFT, Dance. Arts. & Media seeks new company dancers and apprentices for our 2022 - 2023 season. SHIFT produces live and virtual work. We seek dancers with strong modern/contemporary training and are interested in working with dancers with additional technical and artistic skills.

We hope to begin casting dancers by holding a soft audition during our summer intensive, August 8 - 11. All intensive classes will be held at Gibney Lower Manhattan (280 Broadway). Dancers interested in auditioning for SHIFT are invited to attend our summer intensive classes, which will allow SHIFT to get to know candidates' movement styles and technical affinities. This will also allow candidates to learn more about SHIFT's movement style. Candidates may attend one, several, or all intensive classes.

To register for our intensive audition, please email Leigh Ann Gann at [\[email protected\]](#) Please send a copy of your dance performance resume, including technical training and higher education. If applicable, you may also include information about your choreographic resume and other artistic skills and experience. Please also include which day or days you would like to attend SHIFT's intensive.
