BREAKDANCERS VS. COMEDIANS: Looking for b-girls, wackers, voguers, all style battlers to perform in the new Comedy show. Breakdancers vs. Comedians. Comics will have to go head to head against seasoned dancers and test their lack of skills on the dancefloor. We are looking for performers that can bring energy and intensity to the show. (optional) if Dancers are open to the idea of also performing some sort of comedy as well, it would be fun to have a comedy style battle as well.

Dancers will be paid \$50 for the performance as well as access to all video and photos captured at the event.
