New Wave is a concert produced by the APA Dance Department, an internationally recognized educational institution. It is the intention of artistic directors, Marie Hoffman & A.J. Dirickson, to offer both their students and professional choreographers/companies a space within which we can come together to share thought provoking, inspirational dance. Now heading into its third year, New Wave 2020 is an opportunity to cultivate an environment of education and collaboration as we share the stage, our ideas, and our dreams that we might make the world a more bright, colorful place. Please click on the link below to fill out the New Wave 2020 submission form, and we look forward to seeing your work.
