Organizational Overview

AXIS Dance Company exists to change the face of dance and disability. By commissioning, creating, and performing contemporary dance that is inclusive of disabled and non-disabled artists, and championing engagement opportunities as well as advocacy efforts that broaden the reach of the physically integrated dance field, we are deepening an understanding across the Bay Area that all bodies can dance.

AXIS embodies the power of radical inclusion across our organization. We are people with and without disabilities, people of color, members of the LGBTQ community, immigrants and Americans. Our dancers, staff and board members each have personal commitments to representation and inclusion and to intentionally and thoughtfully growing our accessibility offerings. We are seeking an Executive Director to join our grassroots team who is both qualified and a strong cultural fit that shares our values and vision for a more inclusive, equitable, and diverse Oakland arts community.
