REHEARSAL SPACE

The following represent organizations that offer subsidized rehearsal space to dance artists through the New York City Dance Rehearsal Space Subsidy Program from January 2019 through December 2021. Administered by Dance/NYC and made possible by The Andrew W. Mellon Foundation, the purpose of the program is to make affordable rehearsal space available to dance makers whose dance work has been publicly presented and are in critical need of space for the creation and development of their work, while also fostering a more inclusive and fair dance field, with a focus on accessibility, geography, and the demographics of artists served.
