About us:

We are Allure Dance Theatre: An International Women's Performance Company specializing in Afro-Latin Dance created and founded by Tiffany Benson. At the basis of this ever-evolving dance lays a fundamental intimacy between rhythm and movement. Our dancers are professionally trained to harness this relationship and therefore amplify the intimate fierceness within themselves. It is with this power that we infuse contemporary ideals into our Afro-Latin dance; and produce exotically alluring pieces that celebrate the natural wild spirit and beauty of dance worldwide.
