CLASS, 2pm – 3:30pm

OPEN SESSION, 3:30pm – 5pm

Learn + explore the fundamentals of a Hip Hop freestyle genre called Lite Feet, a style of dance that emerged from Harlem, NY in the early 2000's. This class breaks down the party and battle components (like the Harlem Shake, Tone Wop, Bad One, Tic Tac Toe, Rev Up, Lock In, etc.) through a series of drills, sequences and cyphers. The class portion will allow the students to build a solid foundation while the jam session will help participants develop their own individual expression and internalize the party element and energy of Lite Feet. All levels and ages welcome.
