Here's your opportunity to network on a national level and learn firsthand how your colleagues are engineering success and overcoming difficult times in this uncertain environment. You will be able to select from a series of dynamic offerings designed to help shape the next decade.

ENGAGE with the national dance field

- Build bridges to other leaders from across the country and strategize your blueprint for the next 10 years!
- EXPAND your knowledge and skills
- Join the effort and learn more about developing sustainable dance audiences
- Explore cross-disciplinary projects and hear about artistic innovations
- Gather nuts and bolts management solutions
- Dive deeper into technology and social media
- SET YOUR COURSE for the next decade.
