Tickets

INDIVIDUAL TICKETS

The Dance/NYC 2021 Symposium ticket tier structure is based on our values of justice, equity and inclusion in an effort to allow more participation across the dance ecology. Tickets are tiered in relation to the true cost of the 2021 digital event — \$140. Dance/NYC welcomes attendees to honor their own needs and the labor (organizing, content creation and technical production) that goes into providing this multifaceted resource by purchasing the ticket that best reflects their resources and/or economic security. Several ticket tiers invite purchasers to assist Dance/NYC in offering subsidized tickets to dance workers. These subsidies are necessary to include many ALAANA, immigrant and disabled dance workers which our research suggests are less likely to earn living wages from their work and have been hardest hit by COVID-19, rendering the true event cost prohibitive. Options to donate additional funds of any amount are also available.
