State of NYC Dance and Corporate Giving

By Cultural Data Project

[Share](#) | [Print](#) | [Download](#)

[Download the Full Report PDF](#)

This study was made possible with generous support from the New York State Council on the Arts. With it, Dance/NYC continues to reveal the activity, economics, and labor of New York City dance and dives more deeply into the state of corporate giving to the art form than even before. By spotlight this revenue stream, it aims to inform private sector practices and create entry points to the sector for artists and companies.
