DANCE. WORKFORCE. RESILIENCE. ADVISORY GROUP

With the launch of the <u>Dance. Workforce. Resilience. (DWR) Initiative</u> in 2022, the DWR Task Force was established to advise and assist the Initiative on behalf of the organization and the dance field in the metropolitan area.

We learned a tremendous amount from that first iteration, and thus have restructured the Task Force to create two separate groups that will support the initiative moving forward. They are:

- the DWR Advisory Group with members from the creative sector that are based in New York City and the metro area that will focus on providing feedback on initiative activities, and
- the DWR Network, made up of participating entities and organizations supporting us in this work.
