About: Join Dance/NYC, Advisor [Tiffany Rea-Fisher](#), [International Association of Blacks in Dance](#), and a coalition of activists across Manhattan, Brooklyn, The Bronx, Staten Island, & Queens to protest for justice in celebration of Juneteenth. [Juneteenth](#) is the oldest nationally celebrated commemoration of the ending of slavery in the United States. Dating back to June 19, 1865, Juneteenth celebrates the day that Union soldiers landed at Galveston, Texas with news that the war had ended and that the enslaved were now free. In celebration of Juneteenth and in continuing protest against police brutality, and the sanctioned murders of Black people by the actions of white people, institutions, and systems, we invite dance workers and organizations to join this march in solidarity. The march aims to gather 1,000,000 people at City Hall, centering the stories and collective power of Black people. We also encourage you to join any of the actions taking place [across the week in commemoration of Juneteenth](#) either in person or from home in continued support of the Movement for Black Lives in the United States and in the dance community.
