I am looking for three older women of 70 +++ years who have movement experience. This is a volunteer performance opportunity. The "audition" will be a meeting with me. I am choreographing/ directing a short ten minute piece as part of showcase called piece called "White Wines" by Gertrude Stein. There may be opportunities to speak dialogue if wanted but it is not necessary. The piece will be performed in the East Village every Tuesday night in June. This piece will be a fantastic movement performance piece. Send me an email or give me a call and let's have a dialogue!
