NYC choreographer and producer is seeking ballerinas to learn several new pieces to be filmed professionally for use on a reel. The footage will be shopped around to NYC venues and choreographer's festivals for possible bookings. This is currently unpaid work with very good potential for future work and paid bookings at venues such as Bowery Poetry Club, Slipper Room, etc. Must have very strong ballet, jazz, and pointe technique. Acrobatics, gymnastics, partnering, and lifts is a plus.

Anyone interested, please contact Katrina at [katrina.ylimaki@gmail.com](mailto:katrina.ylimaki@gmail.com).
