The Perceptions Contemporary Dance Festival provides artists (emerging and established) with the opportunity to present dance in New York City. The festival is designed to support choreographers and companies around the country and internationally, providing the necessary technical aspects of staging professional work with minimal costs incurred. This festival provides artists with a state-of-the-art theater, expert technical crew, ticket sales, promotion and exposure in the New York City area, while creating the opportunity for growth and development by allowing each artist to focus solely on their art.

The 2010 Festival will be held at the Manhattan Movement & Arts Center on Saturday September 18th.

This year, 9 vibrant & creative artists and companies will be featured:

Anahata Dance Company
 Jaclyn K. Walsh
 Jeremy McQueen
 Jennifer Buzzotta & Nicole Sao Pedro
 Lauren Withhart
 LeeRoc Dance Project
 Sarah Sadie Newett
 Trio Dance Collective
 Vanessa Rea

Hosted by Perceptions Contemporary Dance Company, who will also present a repertoire piece.

There will be a casual open-networking wine and cheese that volunteers may be asked to assist with, but are encouraged to attend as well. There is great opportunity to meet new companies and presenters and expand your own contacts and horizons.
