TROPICAL IMAGE INC. , is a 501(c)3 not-for-profit organization, devoted to building a better future to our youth by keeping them off the streets, through this residency program, we hope to promote the work and collaboration of and among emerging and established artists from diverse cultures and artistic fields of study, which can enhance the arts knowledge and interest of the young people in our program. This program provides a forum which supports the development of artists and their projects by providing them with studio workspace, educational workshops, and performance opportunities that enable them to nurture their ambition, their dream, and talent at an affordable rate that in turn helps us provide and maintain the second home for the youth in our community & NYC through our GKOTS program (Get Kids Off the Street).

This application is intended to get a sense of you and your work, to see if you would be a good fit with our current programs and procedures. We accept residents and provide services without regard to race, color, sexual orientation, religion or national origin. We respect all art forms and welcome the diversity to our studio, making our studio in fact "Brooklyn's Finest Dance Studio"
