MARKETING/DEVELOPMENT INTERN

Please submit resumes addressed to Dick Caples, Executive Director, at Lubovitch@aol.com, with the title "Marketing/Development Intern" in the subject line. Include your desired position, current resume and a writing sample for review. [► Share](#) | [Print](#) | [Download](#)

This internship will provide on-the-job experience in marketing and promoting domestic and international tours, the creation of new work, and educational activities. The intern will also assist in generating contributed income through writing grants, soliciting donations and conducting special events. This position will provide hands-on experience in developing and executing a comprehensive marketing and development plan. The ideal candidate will have excellent communication skills, (both verbal and written) superb computer skills and will be organized, motivated and creative. Facility with graphic design software would be a plus. <!--StartFragment-->
