We are looking for a production intern January 24 through February 5 for *voix de ville*: a two-week residency and performance at Danspace Project, featuring works by Cori Olinghouse, Benny and Javier Ninja (of International Legendary House of Ninja), and another special guest.

Tasks include working with the production stage manager in handling the set, costumes, and props during load-in, load-out, rehearsals, and performances; helping to organize comp lists during performance week; assisting the choreographer and lighting designer as they work on lighting cues; and other various production aspects.

Schedule is somewhat flexible- the most important dates are January 24th, for load-in, and February 5th, for load-out.

If you are interested in interning, please email your resume to production stage manager Liz Jenetopulos: lizjen.tech@gmail.com.
