The Dance Gallery 2011, a national dance festival in its fifth year, is looking for concert dance choreographers. Due to increased interest in this festival, The Dance Gallery expanded its festival last year to include a Houston Metro Area venue. The partnering with Sam Houston State University was extremely successful and we are continuing this partnership and offering performances in two city's. This is an exciting opportunity for choreographers to present larger works in a fully produced dance festival that will take place in NYC and Texas.
