Notes in Motion/Amanda Selwyn Dance Theatre is seeking enthusiastic dancers and arts supporters to volunteer in various areas:

- assisting installation and/or strike of scenery, lighting, and video projection
- bartenders and servers
- check-in and box office
- coat check
- dealers for blackjack and roulette
- silent auction helpers
- musicians and dancers

for Saturday, February 26, 2011, Amanda Selwyn Dance Theatre and Notes in Motion Outreach Dance Theatre will present WHITE NIGHT - A Movable Performance Soiree.

WHITE NIGHT

Guests will steer their way through the 9 spaces at 'Space on White,' creating their own experience for the eyes, ears, palate, and spirit. As party-goers weave from room to room on the three leveled space, they will discover live music, ongoing dance performance previewing Selwyn's developing work *Five Minutes*, video installation, a silent auction, gambling, a slice of Notes in Motion arts-in-education programs with children dancing and learning, flowing cocktails and hors d'ouerves paired for all of the various spaces, costume exhibits, give-aways, and maybe even a flash mob! All proceeds support Amanda Selwyn Dance Theatre's Eleventh Annual Performance Season World Premiere *Five Minutes* at Dance Theater Workshop in June 2011 and Notes in Motion Outreach Dance Theatre's arts-in-education programs in the NYC Public Schools. <!--EndFragment-->
