We are casting for our upcoming feature film, about a guy who suffers from social anxiety disorder looking for love on the eve of Halloween in NYC.

We are looking for dancers for a key scene where the lead actor in a drug-induced state hallucinates a Michael Jackson-inspired dance sequence. The dance sequence will have approximately a 5-10 minute running time. Shooting begins in June.

We are holding auditions this Saturday April 9th at 8-11 am

Please prepare a 2-3 minute dance piece that best exemplifies your strengths.

Please confirm if you are able to make the audition and a time slot will be provided for you.

No pay, but credit, copy, and meals will be provided.

Thanks
