Keeping in step with our [previous web-based projects](#), Sarah Dahnke/Round Tuit Dance Project is currently in the process of crowd sourcing [THE BEST MUSIC VIDEO EVER](#).

What would you include in the best music video ever to be created? An epic slow motion sequence? Synchronized Jazzercise in shiny Spanex? A series of stills from the movie Willow?

We want you to film it and send it to us. It doesn't have to be fancy, long or high-quality. Use your phone, your laptop, your friends and a few seconds of your time to put together a segment of THE BEST MUSIC VIDEO EVER. Oh, and don't forget to set it to music (or at least tell us what music you want it set to).

You can also ["like" the project on Facebook](#), then record video and post it right to our page.

All submissions will be gathered and edited together by Sarah Dahnke and posted on THE BEST MUSIC VIDEO EVER blog.

If you don't want to use the Facebook machine, just upload your submission to Youtube or Vimeo and send your link to sarah (at) sarahdahnke.com.

DEADLINE: April 26, 2011.
