[TenduTV Internship Opportunities: 2011](#)

TenduTV is looking for several part-time virtual and on-site interns/assistants interested in learning the inner workings of a rapidly growing digital video distribution company. We're looking for several interns who can commit to up to 10 hours per week, from June 1 to September 1. While this internship is unpaid, a small stipend will be paid at the end of the summer. The ideal intern has a demonstrated interest in dance, either professionally and/or academically, and should have a basic understanding of emerging video distribution opportunities as well as computer skills. At least one internship will require experience with html and wordpress plugins. Tasks may include writing and editing, assisting public relations, marketing and social media outreach, helping to manage our data workflow, as well providing administrative support.

Please send a cover letter and résumé to intern@tendu.tv.
